### **Becoming a Sustaining Donor to WFWO**

The WFWO program Sustaining Donor Objectives is to:

The program giving monthly through WFWO's sustainer program you ensure the greatest possible impact from your donation to support small Humanitarian Projects, in Africa, Asia, and Latin America. Focus on Poverty Elevation, Education, Health, Clean Water, and Micro Credit Finance, Indigenous People, and Sustainable Environmental Projects to support the MDG's Objectives.

The advantages are:

In order to be sure that the donations of the sustainer being not lost, or stolen or delayed in transit, the best way to save time and money is better to do an transfer bank account number and this will be kept confidential and secure.

The more convenient for the sustainer, is also enable him to make a donations in small, easy-to-manage amounts.

The most and efficient way to save time and money, as well as environmentally friendly. Because we only contact sustaining donors once or twice a year, you'll receive less mail.

The WFWO also saves on printing and mailing costs, so your donation can be put to work on overseas projects.

*Saves you money:* No need to buy postage and envelopes or phone calls.

*Saves you time:* No need to write cheques every few months. The work is done for you.

The Program Monthly Donations WFWO's sustaining donor program is an excellent and effective way to contribute to the people who need our help !
