## Support a Cause Through New AFP Networking Partnership

To help members connect with fundraisers in different countries, AFP has partnered with ammodo, an online global networking community for the nonprofit sector.

Through ammodo, members can meet and network with practitioners from around the world and learn about other organizations, companies, strategies and campaigns that are making a difference in the lives of millions of people.

“Our goal at AFP is to provide the resources that members need to be successful and to ensure they will be ahead of the curve as new challenges and trends rise,” said Paulette Maehara, CFRE, CAE, president and CEO of AFP. “Fundraising is growing rapidly around the world, and what happens in one region can have a dramatic effect on organizations and people in another. We believe that partnering with ammodo is a great way to ensure our members are connected with colleagues around the world to share ideas, stories and experiences for the benefit of all.”

### • **Create Your Network, Support a Cause**

To celebrate the partnership and the season of giving, ammodo will give the first 10,000 AFP members who create a profile on ammodo an e-voucher for \$1.00 to spend on the cause of their choice on ammodo.

What can one dollar support? Here are some examples of organizations already on ammodo where your dollar can make an impact. For one dollar, you can get a child vaccinated against the measles (learn more about The Measles Initiative through its profile on ammodo). Or provide clean water to a child for 50 days (Children’s Safe Drinking Water Initiative). Or help in the fight against extreme poverty or hunger ([World For World Organization](#)).

You can also support your own organization if it creates a profile on ammodo or help fund strategic programming for the fundraising profession, such as “The Color of Money: A Professional Development Conference for Persons of Color,” through the AFP Foundation for Philanthropy.

### • **Getting Started**

Create your profile on ammodo and begin developing your global fundraising network. Find new colleagues and invite existing friends to join. Click on nonprofits and companies to find out more information about an organization.

To get started and receive your \$1 e-voucher, [use this link to sign up](#). Within a couple of days, you’ll receive a message that says your ammodo e-voucher has arrived. You’ll then be able to support any cause on ammodo, including your own organization, and enjoy a new way to network with AFP, ammodo and colleagues around the world.
